It may sound like I am becoming a preacher or a priest, but I would like to close this meeting with this thought in mind, on next Tuesday we celebrate, as I am taught, the greatest birthday in the history of the world, and I would like to thank, on behalf of Council, the One Whose birthday we celebrate next Tuesday for the guidance and help that has been given, and ask His intercession and guidance in all of our undertakings in 1957.

The Chair:

Thank you, Mr. Dinan, for your very wonderful talk.

Mr. Rodgers moved

That Council recess for ten minutes.

Which motion prevailed.

And

Council recessed.

And during the time of the recess the members of Council discussed with J. Frank McKenna, Jr., City Solicitor; John A. Murphy, Director, Department of Water; and T. Robert Brennan, Esq., the question of the City furnishing water to ten homes on Scherling Street, Ross Township, as requested in Bill No. 1831.

Pittsburgh, Pa.,

Wednesday, December 19, 1956.

And the time of the recess having expired, Council reconvened, and there were

Present:—

Mr. Counahan	Mr. Olbum
Mr. Dinan	Mr. Rodgers
Mr. Fagan	Mr. Weir
Mr. Jones	Mr. Gallagher (Pres't)

Absent:—

Mrs. D'Ascenzo

The Chair:

Mr. McKenna, you were asked to appear before Council today with respect to the subrogation claim in the case of Gerald W. Echement vs. Samuel Calabrese. The reason for asking you to appear today is because the case is now pending before His Honor, Homer R. Brown, Judge, Court of Common Pleas. This matter was referred to you by the Finance Committee on Tuesday, and the Council now desires to know what your recommendation is in this matter.

J. Frank McKenna, City Solicitor:

Mr. President and Members of Council: When this matter was brought before the Law Department we went into the question and concluded we could not recommend the matter to Council for this reason: This man was injured while on duty. Under the law we were obligated to pay his salary under Workmen's Compensation. He has sued the defendant for recovery of damages as the result of this accident. Under the law the City is subrogated to that finding. So if

he recovers one thousand dollars we get it all. If he recovers nothing we get nothing. It is a matter for the plaintiff and his attorney, and I do not think we have the power to state that we will take less than the law allows us. We are subrogated to that finding, no matter what it may be. If it is a thousand dollars we get it all. I doubt that the City has the right to waive that. It is a very difficult matter to consider the disabilities of this man. We operate under a very strict set of laws that are very difficult to tamper with. My recommendation is that the City does not intervene in the case at this time.

Mr. Weir:

Mr. President: The City Solicitor has rendered his decision. It is obvious the motion I am about to make will not carry, but I feel so strongly towards this employee, as I know all of us do, but knowing this motion will be defeated, I want to be on record in making it to this effect:

RESOLVED, That this Council authorize and direct the Law Department of the City of Pittsburgh to enter into an arrangement to accept out of the total settlement of \$20,000.00, \$12,000.00 as the City's share, subject to attorney's fees, provided that pre-assurance is given that Counsel will take a fee of not more than 33 1/3% from the defendant.

And on the motion the ayes and noes were taken, and being taken were:

Ayes:—

Mr. Rodgers
Mr. Weir

Noes:—

Mr. Counahan	Mr. Jones
Mr. Dinan	Mr. Olbum
Mr. Fagan	Mr. Gallagher (Pres't)

Ayes 2. Noes 6.

And there not being a majority of

the votes of Council in the affirmative, the motion did not prevail.

Mr. Counahan moved

That the Department of Water and the Department of Law be authorized to work out a plan for the supplying of water to the homes mentioned by T. Robert Brennan, Esq., on a temporary basis, provided that Mr. Brennan post a bond or cash in the amount of \$500.00 to guarantee the payment of the water charges.

Mr. Weir moved

To amend the motion, That the Director of the Department of Water be requested to enter into a temporary agreement with T. Robert Brennan, Esq., for the supplying of water, provided that Mr. Brennan furnish a bond or a cash deposit in the amount of \$500.00 to guarantee the payment for water used awaiting the formation of a corporation and a permanent contract with it.

Which motion prevailed.

And the question recurring on the motion, as amended, the motion prevailed.

Mr. Dinan moved

That the following members of Council be excused for absence from Council and Committee meetings:

Mrs. D'Ascenzo on December 3, 4, 10, 11, 14, 17, 18 and 19, 1956.

Mr. Fagan on December 10 1956.

Which motion prevailed.

Mr. Dinan moved

That Council adjourn to meet on Monday, January 14, 1957.

Which motion prevailed.

And

Council adjourned.

(1) An annual return showing the total amount of salaries, commissions and other compensation paid, the total amount of tax deducted, and the total amount of tax paid to the Treasurer during the period beginning January 1, 1956, and ending December 31, 1956; and,

(2) A return for each employee employed during all or any part of the period beginning January 1, 1956, and ending December 31, 1956, setting forth the employee's name, address and Social Security number, the amount of salaries, wages, commissions or other compensation paid to the employee during said period, the amount of tax deducted, the amount of tax paid to the Treasurer, and such other information as the Treasurer may require. Every employer shall furnish a copy of the individual return to the employee for whom it is filed.

(d) Every employer who discontinues business prior to December 31, 1956, shall, within fifteen (15) days after the discontinuance of business, file the returns hereinabove required and pay the tax due.

(e) The failure or omission of any employer to make the deductions required by this section shall not relieve any employee from the payment of the tax or from complying with the requirements of this ordinance relating to the filing of declarations and returns.

Section 5. Powers and Duties of Treasurer.

(a) It shall be the duty of the Treasurer to collect and receive the taxes.

finances and penalties imposed by this ordinance. It shall also be his duty to keep a record showing the amount received by him from each person paying the tax and the date of such receipt.

(b) The Treasurer is hereby charged with the administration and enforcement of the provisions of this ordinance, and is hereby empowered to prescribe, adopt, promulgate and enforce rules and regulations relating to any matter pertaining to the administration and enforcement of this ordinance, including provisions for the re-examination and correction of declarations and returns, and of payments alleged or found to be incorrect, or as to which an overpayment is claimed or found to have occurred, and to prescribe forms necessary for the administration of this ordinance.

(c) The Treasurer and agents designated by him are hereby authorized to examine the books, papers and record of any employer or supposed employer, or any taxpayer or supposed taxpayer, in order to verify the accuracy of any declaration or return, or, if no declaration or return was filed, to ascertain the tax due. Every employer or supposed employer and every taxpayer or supposed taxpayer is hereby directed and required to give to the Treasurer or to any agent designated by him the means, facilities and opportunity for such examinations and investigations as are hereby authorized.

(d) Any information gained by the Treasurer, his agents or by any other official or agent of the City of Pittsburgh, as a result of any declarations, returns, investigations, hearings or verifications required or authorized by this ordinance, shall be confidential, except for official purposes and except in accordance with a proper judicial order, or as otherwise provided by law.

(e) Any person aggrieved by any action of the Treasurer shall have the right of appeal as provided by law.

Section 6. Suit for Collection of Tax.

(a) The Treasurer may sue for the recovery of taxes due and unpaid under this ordinance.

(b) Any suit brought to recover the tax imposed by this ordinance shall be begun within six (6) years after such tax is due, or within six (6) years

after a declaration or return has been filed, whichever date is later. Provided, however, that this limitation shall not prevent the institution of a suit for the collection of any tax due or determined to be due in the following cases:

(1) Where no declaration or return was filed by any person although a declaration or return was required to be filed by him under the provisions of this ordinance.

(2) Where an examination of the declaration or return filed by any person, or of other evidence relating to such declaration or return in the possession of the Treasurer, reveals a fraudulent evasion of taxes, including, but not limited to, substantial understatement of taxes deducted and of actual or estimated net profits or earnings.

(3) Where any person has deducted taxes under the provisions of this ordinance and has failed to pay the amounts so deducted to the Treasurer.

Section 7. Interest and Penalties.

If for any reason the tax is not paid when due, interest at the rate of six per centum (6%) per annum on the amount of said tax, and an additional penalty of one-half of one per centum (.5%) of the amount of the unpaid tax for each month or fraction thereof during which the tax remains unpaid, shall be added and collected. Where suit is brought for the recovery of any such tax, the person liable therefor shall, in addition, be liable for the costs of collection and the interest and penalties herein imposed.

Section 8. Payment under Protest and refunds.

The Treasurer is hereby authorized to accept payment under protest of the amount of tax claimed by the City in any case where any person disputes the validity or amount of the City's claim for the tax. If it is thereafter judicially determined by a court of competent jurisdiction that there has been an overpayment to the Treasurer, the amount of the overpayment shall be refunded to the person who paid under protest.

Section 9. Applicability.

The tax imposed by this ordinance shall not apply:

(a) To any person as to whom it is beyond the legal power of the City of Pittsburgh to impose the tax herein provided for under the Constitution of the United States and the Constitution and laws of the Commonwealth of Pennsylvania.

(b) To institutions or organizations operated for public, religious, educational or charitable purposes, to institutions or organizations not organized or operated for private profit, or to trusts and foundations established for any of the said purposes.

This section shall not be construed to exempt any person who is an employer from the duty of collecting the tax at source from his employees and paying the amount collected to the Treasurer under the provisions of Section 4 of this ordinance.

Section 10. Fines and Penalties for Violation of Ordinance.

(a) Any person who fails, neglects or refuses to make any declaration or return required by this ordinance; any employer who fails, neglects or refuses to register or to pay the tax deducted from his employees; any person who refuses to permit the Treasurer or any agent designated by him to examine his books, records and papers, and any person who makes any incomplete, false or fraudulent return or attempts to do anything whatsoever to avoid the full disclosure of the amount of his net profits or earnings to avoid the payment of the whole or any part of the tax imposed by this ordinance, shall, upon conviction thereof before any Alderman or Magistrate, be sentenced to pay a fine of not more than One Hundred Dollars (\$100.00) for each offense, and costs, and, in default of payment of said fine and costs to be imprisoned in the Allegheny County Jail or the Allegheny County Workhouse for a period not exceeding thirty (30) days.

(b) Any person who divulges any information which is confidential under the provisions of subsection (d) of Section 5 of this ordinance, shall upon conviction thereof before any Alderman or Magistrate, be sentenced to pay a fine of not more than One Hundred Dollars (\$100.00) for each offense, and costs, and, in default of payment of said fine and costs to be imprisoned in the Allegheny County Jail or the

Allegheny County Workhouse for a period not exceeding thirty (30) days.

(c) The penalties imposed under this section shall be in addition to any other penalty imposed by any other section of this ordinance.

(d) The failure of any person to receive or procure the forms required for making the declaration or returns required by this ordinance shall not excuse him from making such declaration or return.

Section 11. Severability.

The provisions of this ordinance are severable. If any sentence, clause or section of this ordinance is for any reason found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall not affect or impair any of the remaining provisions, sentences, clauses or sections of this ordinance. It is hereby declared to be the intent of the City Council that this ordinance would have been adopted had such unconstitutional, illegal or invalid sentence, clause or section not been included herein.

Section 3. (a) On and after the effective date of this ordinance, it shall be unlawful for any producer to conduct, or thereafter to begin to conduct, any form of amusement at any permanent or temporary place of

amusement or any itinerant form of amusement, within the City of Pittsburgh, unless an amusement permit or permits shall have been issued to him, the fees paid therefor as now prescribed by law and the tax herein imposed paid in accordance with the provisions herein made.

(b) Every producer desiring to continue to conduct or hereafter to begin to conduct any amusement within the City of Pittsburgh shall file an application for a permanent, temporary or itinerant amusement permit or permits, as the case may be, with the Treasurer. Every application for such permit or permits shall be made upon a form prescribed, prepared and furnished by the Treasurer, and shall set forth the name under which the applicant conducts or intends to conduct a permanent or temporary place, or an itinerant form of amusement, the location of the permanent or temporary place of amusement, whether or not the applicant is the holder of a mercantile license in effect when the application is made, and, if so, the number of such license and such other information as the Treasurer may require. If the applicant has or intends to have more than one place of amusement within the City of Pittsburgh, the application shall state the location of each place of amusement, and in the case of itinerant form of amusement, the date and length of time such amusement is to be conducted at each place. In the case of an application for a permit for a temporary place of amusement, the application shall state the name and address of the owner, lessee or custodian of the premises upon which such amusement is to be conducted. If the applicant is an association or a corporation, the names and addresses of the principal officers thereof and any other information prescribed by the Treasurer for purposes of identification shall be stated. and payment of such fees as are now required by law, the Treasurer shall grant and issue to each applicant an amusement permit for each place of amusement within the City of Pittsburgh set forth in his application. Amusement permits shall not be assignable, and shall be valid only for the persons in whose names issued, and for the conduct of amusements at the places designated therein, and shall at all times be conspicuously displayed at the places for which issued. The producer of an itinerant form of amusement shall notify the Treasurer promptly of any change in the originally contemplated itinerary, either as to date or time of the conduct of the amusement at each place.

(c) The Treasurer may suspend or after hearing revoke an amusement permit whenever he finds that the holder thereof has failed to comply with any of the provisions of this ordinance. Upon suspending or revoking any amusement permit the Treasurer shall request the holder thereof to surrender to him immediately all permits or duplicates thereof issued to him, and the holder shall surrender promptly all such permits to the Treasurer as requested. Whenever the Treasurer suspends an amusement permit, he shall notify the holder immediately and afford him a hearing if desired, and if a hearing has not already been afforded. After such hearing the Treasurer shall either rescind his order of suspension, or good cause appearing therefor, shall continue the suspension or revoke the permit.

Section 4. (a) For the calendar year 1956 a tax is hereby imposed upon the admission fee or privilege to attend or engage in any amusement at the rate of ten per cent (10%) of the established price charged the general public, or a limited or selected group thereof, by any producer for such privilege, which shall be paid by the person acquiring such privilege.

(b) In the case of persons admitted free or at reduced rates to any place of amusement at a time when and under circumstances under which an established price is charged to other persons, the tax imposed by this ordinance shall be computed on the established price charged to such other persons of the same class for the same

or similar accommodations, to be paid by the person so admitted. Provided, however, that children under twelve (12) years of age, disabled veterans and members of the armed services when on active duty and in uniform, who are admitted free of charge to any place of amusement shall not be required to pay the tax imposed by this ordinance.

(c) In the case of persons having the permanent use of boxes or seats in any place of amusement or a lease for the use of such boxes or seats in such place of amusement, the tax imposed by this ordinance shall be computed on the price charged for such boxes or seats or rental charged for the use of such boxes or seats in such place of amusement, such tax to be paid by the holder or lessee.

Section 5. (a) Producers shall collect the tax imposed by this ordinance and shall be liable to the City of Pittsburgh as agents thereof for the payment of the same into the City Treasury as hereinafter provided in this ordinance.

(b) Where permits are obtained for conducting temporary amusements by persons who are not the owners, lessees or custodians of the places where the amusements are to be conducted, or where the temporary amusement is permitted by the owner, lessee or custodian of any place to be conducted without the procurement of a permit or permits required by this ordinance, the tax imposed by this ordinance shall be paid by the owner, lessee or custodian of such place where such temporary amusement is held or conducted unless paid by the producer conducting the amusement.

Section 6. For the purpose of ascertaining the amount of tax payable by producers to the City of Pittsburgh, it shall be the duty of:

(a) Every producer, except as hereinafter provided, conducting a place of amusement, on or before the last day of each month to transmit to the Treasurer on a form prescribed and prepared by him a report, under oath or affirmation, of the amount of tax collected by him during the preceding month.

(b) Every producer conducting a temporary place of amusement, or

itinerant form of amusement, shall file a report with the Treasurer or any duly authorized agent of his promptly after each performance.

All reports required by this section shall show such information as the Treasurer shall prescribe.

Every producer, at the time of making every report required by this section, shall compute and pay to the Treasurer the taxes collected by him and due to the City of Pittsburgh during the period for which the report is made. Provided, however, that such producer may deduct therefrom two per cent (2%) thereof, providing payment is made on or before the due date thereof. The amount of all taxes imposed under the provisions of this ordinance shall in the case of places of permanent amusement be due and payable on the last day of the next succeeding month, and in the case of temporary or itinerant forms of amusement it shall be due and payable on the day the reports in such cases are required to be made under this section, and all such taxes shall bear interest at the rate of one per cent (1%) per month or fractional part of a month from the date they are due and payable until paid.

If any producer shall neglect or refuse to make any report and payment as herein required, an additional ten per cent (10%) of the amount of the tax shall be added by the Treasurer and collected.

Section 7. All such taxes shall be recoverable by the City Solicitor as other debts of like amount are now by law recoverable.

Section 8. All taxes, interest and penalties received, collected or recovered under the provisions of this ordinance shall be paid into the treasury of the City of Pittsburgh for the use and benefit of said City.

Section 9. The Treasurer is hereby charged with the administration and enforcement of the provisions of this ordinance, and is hereby empowered to prescribe, adopt, promulgate and enforce rules and regulations relating to any matter pertaining to the administration and enforcement of this ordinance, including provision for the re-examination and correction of returns and payments alleged or found to be incorrect, or as to which an overpay-

ment is claimed or found to have occurred. Any person aggrieved by any decision of the Treasurer shall have the right of appeal as provided by law.

Section 10. The provisions of this ordinance are severable, and if any of its provisions shall be held illegal, invalid or unconstitutional, the decision of the court shall not affect or impair any of the remaining provisions of this ordinance. It is hereby declared to be the legislative intent that this ordinance would have been adopted if such illegal, invalid or unconstitutional provisions had not been included herein.

Section 11. Any person, co-partnership, association or corporation which shall fail, neglect or refuse to comply with any of the terms or provisions of this ordinance or of any regulation or requirement pursuant thereto and authorized thereby shall, upon conviction thereof before any Alderman or Magistrate, be sentenced to pay a fine of One Hundred Dollars (\$100.00), and in default of payment of said fine be imprisoned in the Allegheny County Jail or Allegheny County Workhouse for a period not exceeding thirty (30) days.

Section 12. This ordinance is enacted under the authority of the Act of June 25, 1947, (Pamphlet Law 1145), and its amendments.

Section 13. This ordinance shall become effective immediately upon enactment.

Section 14. That this Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Whereas, Ordinance No. 468, approved December 1, 1955, imposed a personal property tax for the year 1956 by reenacting Ordinance No. 406, approved December 1, 1953; and

Whereas, It is deemed advisable to set forth in full the provisions of the reenacted tax ordinance in order to set forth the dates on which returns must be filed and the tax paid during the year 1956; NOW, THEREFORE,

The Council of the City of Pittsburgh, under the authority of the Act of June 25, 1947, P.L. 1145 (No. 481), and its amendments, hereby enacts as follows:

Section 1. That Ordinance No. 468, entitled, "AN ORDINANCE - REENACTING ORDINANCE NO. 406, entitled, 'AN ORDINANCE - To provide revenue for the City of Pittsburgh by imposing a tax on certain classes of personal property; providing for the assessment and collection of the same; conferring and imposing powers and duties on the City Treasurer and imposing penalties,' approved December 1, 1953, for the year 1956, and fixing a tax of two (2) mills on the value of all intangible personal property, including mortgages, judgments, accounts bearing interest, stocks, bonds, etc., with certain exceptions and on the value of the equitable interest in such personal property owned by residents of the City," approved December 1, 1955, is hereby amended by adding

thereto Section 1.1 to read as follows:

Section 1.1

Section 1. That Imposition and Rate of Tax: Exceptions. - A tax at the rate of two mills on each dollar is hereby imposed for the year 1956 on the value of all personal property of the classes taxed by the County of Allegheny pursuant to the Act of June 17, 1913, P. L. 507, as amended, and enumerated in Section 1 of said Act, owned, held or possessed by any resident, which as used in this Section shall mean any person, persons, copartnership or unincorporated association or company resident, located or liable to taxation within the City of Pittsburgh, or by a joint stock company or association, limited partnership, bank or corporation whatsoever formed, created or incorporated by, under or in pursuance of any law of the Commonwealth of Pennsylvania or of the United States, or of any other State or Government, and liable to taxation within the City, whether such personal property be owned, held or possessed by such resident in his own right or as active trustee, agent, attorney-in-fact, or in any other capacity or by any resident as trustee, agent or attorney-in-fact jointly with one or more trustees, agents or attorneys-in-fact domiciled outside of the City where such personal property is held and managed in this City, except as executor or administrator of the estate of a nonresident decedent and except as trustee for a resident or nonresident, religious, charitable or educational organization, no part of the net earnings of which inures to the benefit of any private stockholder or individual or for the use, benefit or advantage of any other person, co-partnership, unincorporated association, company, joint stock company or association, limited partnership, bank or corporation; and the equitable interest in any such personal property owned, held or possessed by any resident where the legal title to such personal property is vested in a trustee, agent or attorney-in-fact, domiciled outside of the City, or where the legal title to such personal property is vested in more than one trustee, agent or attorney-in-fact, one or more of whom are domiciled outside of the City, and one or more of whom are domiciled within the City, and

such personal property is held and managed outside of the City, and where such resident is entitled to receive all or any part of the income therefrom. No failure to assess or return the same shall discharge such owner or the holder thereof from liability therefor. Provided that if the said County personal property tax, or law imposing the same is repealed, this shall not operate as a repeal of the City personal property tax or this ordinance, but the said City personal property tax shall continue until terminated by ordinance duly passed by Council of the City of Pittsburgh and approved as required by law.

Provided that the provisions of this section shall not apply to subjects excepted in said Act of 1913 as amended, and provided further that the provisions of this section shall not apply to personal property received, or acquired with proceeds of money or property received, before or after the effective date of this Ordinance, from any person or persons, co-partnership, or unincorporated association or company, nonresident in or not located within this City, or before the effective date of this Ordinance, from any person or persons, co-partnership, or unincorporated association or company, nonresident in or not located within this City on the effective date of this Ordinance, or from any joint stock company or association, limited partnership, bank or corporation formed, erected or incorporated by, under or in pursuance of any law of the United States or of any state or government other than the Commonwealth of Pennsylvania by any person or persons, co-partnership, unincorporated association, company, joint stock company or association, limited partnership, bank or corporation as active trustee, agent, attorney-in-fact, or in any other capacity for the use, benefit, or advantage of any person or persons, co-partnership or unincorporated association or company, nonresident in or not located within this City, or for the use, benefit or advantage of any joint stock company or association, limited partnership, bank or corporation formed, erected or incorporated by, under or in pursuance of any law of the United States or of any state or government other than the Commonwealth of Pennsylvania;

Section 2. Returns and Assessments.

- For the purpose of ascertaining the amount of tax payable under this ordinance, it shall be the duty of every resident of the City of Pittsburgh liable to pay such tax to file a return of personal property. In order to eliminate the duplication which would result from the filing of a separate return for the City and a separate return for the County, the City of Pittsburgh hereby adopts the return filed with the Allegheny County Board of Property Assessment, Appeals and Review, in compliance with the Act of June 17, 1913, P. L. 507, as amended, as a return for the City of Pittsburgh in compliance with the requirements of this ordinance, for the payment of a personal property tax by all persons subject thereto.

The assessment of personal property of residents of the City of Pittsburgh made by the County officials administering and collecting the County personal property tax, shall be used to determine the amount of tax due to the City of Pittsburgh under this ordinance. The assessments so made shall have the same force and effect as if the assessments had been made initially by the City of Pittsburgh and are hereby adopted for City tax purposes.

The term "assessments" as used herein shall mean the final assessments as adopted and used by County officials administering the County personal property tax after all petitions for reassessments, and appeals provided by law, have been finally determined.

The Mayor and the City Treasurer are hereby authorized to enter into an agreement with the proper county officials for reimbursement or payment to the County of the expenses incurred in the furnishing to the City by the County Board of Property Assessment, Appeals and Review, of

the names and addresses of taxables within the City, the assessments made of their personal property subject to the tax and such other information as may be agreed upon. Such payments shall be made from funds appropriated by City Council.

Section 3. Payment of the Tax. - Taxes imposed by this ordinance shall be due and payable on May 1st of 1956. Taxes paid during the months of May, June and July shall be subject to a discount of 2% and if not paid within said months, shall be payable at face during August 1956. Taxes unpaid by August 31st shall be considered delinquent and shall be subject to a penalty of 5% of the face amount of the tax, and interest at the rate of $\frac{1}{2}$ of 1% per month until paid.

Section 4. Collection of the Tax. - All taxes, penalties and interest imposed by this ordinance shall be paid to and collected by the City Treasurer. Delinquent taxes shall be recovered by the said Treasurer by suit in assumpsit or by such other methods as are authorized and allowed by law.

Section 5. Fines and Penalties. - (a). Any person who shall make a false and fraudulent return or any person who fails or refuses to file any return containing the information required by this Ordinance shall upon conviction thereof before any alderman or magistrate, be sentenced to pay a fine of One Hundred Dollars (\$100), and, in default of payment of said fine, to be imprisoned in Allegheny County Jail or Allegheny County Workhouse for a period not exceeding thirty (30) days.

(b) It shall be unlawful for any person or persons, copartnership, unincorporated association, limited partnership, joint stock association, or corporation whatsoever, in loaning money at interest to any person or persons, whether such loans be secured by bond and mortgage or otherwise, to require the person or persons borrowing the same to pay the tax imposed thereon by this ordinance, and in all cases where such tax shall have been paid by the borrower or borrowers, the same shall be deemed and considered usury and subject to the laws governing the same.

(c) As used in this section the term "person" as applied to associations shall mean the partners or members thereof, and as applied to corporations the officers thereof.

Section 6. Saving Clause. - If the tax or any portion thereof imposed upon any of the personal property of any of the classes hereinbefore described under the provisions of this ordinance, or if any exception of any personal property of any of the classes as hereinbefore described from the imposition of the tax under the provisions of this ordinance shall be held by any court of competent jurisdiction to be in violation of the Constitution of the United States or of the laws of the Constitution of the Commonwealth of Pennsylvania, the decision shall not effect or impair the right to impose the taxes or the validity of the taxes so imposed upon the personal property of the other classes as hereinbefore described or to impose the taxes on the personal property so excepted.

Section 7. This ordinance is passed pursuant to authority contained in Act of Assembly No. 481, approved June 25, 1947 (Pamphlet Laws 1145), as amended.

Section 8. The provisions of this Ordinance shall become effective immediately upon final enactment.

Section 9. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

with the Pennsylvania Railroad Company, lessee of the works and property of the Pittsburgh, Fort Wayne and Chicago Railway Company, for the lease to the Company for a term of Ninety-nine years of a portion of a parcel of property in the Twenty-Second Ward of the City of Pittsburgh.

Whereas, the former City of Allegheny from time to time leased to the predecessors of The Pennsylvania Railroad Company certain property in the South Common area on the North Side for railroad and passenger station purposes, said property being bounded by Stockton Avenue on the north, Federal Street on the East, Sherman Avenue extended on the west, and property of the Pennsylvania Railroad Company on the South; and

Now, therefore

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. The Mayor and the Director of the Department of Lands and Buildings be and they are hereby authorized to enter into an agreement with the Pennsylvania Railroad Company, lessee of the works and property of the Pittsburgh, Fort Wayne and Chicago Railway Company, for the lease to the Company for a term of ninety-nine years of a portion of the South Common area in the Twenty-second Ward of the City of Pittsburgh, the lease to be

in substantially the following form:

THIS AGREEMENT

MADE THIS day of, 195....., between the City of Pittsburgh, a municipal corporation, of the Commonwealth of Pennsylvania, hereinafter called "Lessor", and

THE PENNSYLVANIA RAILROAD COMPANY, a Pennsylvania corporation, lessee of the works and property of the Pittsburgh, Fort Wayne and Chicago Railway Company, hereinafter called "Lessee".

WITNESSETH:

That in order to provide additional parking facilities for the North Side section of the City of Pittsburgh, and in order to afford enlarged facilities for the receipt and shipment of goods and merchandise for commercial and industrial establishments throughout the City, and in further consideration of the covenants and agreements hereinafter set forth, the Lessor hereby leases to the Lessee that portion of the South Common area in the Twenty-second Ward of the City of Pittsburgh, bounded and described as follows:

BEGINNING at the point of intersection of the south line of Stockton Avenue and the west line of Federal Street; thence southwardly along the West line of Federal Street a distance of 89.05 feet to a point; thence westwardly along the south line of the South Common, which line is parallel to the south line of Stockton Avenue and 89.05 feet distant therefrom, a distance of 654 feet, more or less, to the intersection of the concrete retaining wall which marks the north line of the Lessee's main track right-of-way; thence by a curved line northwardly along the northerly face of said concrete retaining wall and along the northerly face thereof extended in the same curvature a distance of 236 feet, more or less, to the intersection of the west line extended of Sherman Avenue; thence northwardly along the west line extended of Sherman Avenue a distance of 20 feet, more or less, to the intersection of the south line of Stockton Avenue; thence eastwardly along the south line of Stockton Avenue a dis-

tance of 870 feet, more or less, to the intersection of the west line of Federal Street, the point of beginning. Containing 70,280 square feet, more or less.

The demised premises are shown outlined in yellow on print of Plan No., dated, attached hereto and made part hereof as Exhibit "A".

TOGETHER with the privilege of constructing and maintaining thereon at Lessee's sole cost and expense the following improvements, subject to approval by Lessor of plans for construction and use of the property as hereinafter provided:

A one-story structure approximately fifty (50) feet by four hundred (400) feet to house a railroad freight terminal, with one or more decks constructed above the building to be used for parking purposes.

The location, dimensions and general character of the proposed improvements are shown on print of Plan No., dated, attached hereto and made a part hereof as Exhibit "B".

Lessee shall not construct any other improvements or make any additions or alterations to the improvements constructed on the demised premises without the prior written consent of the Lessor.

TO HOLD the said demised premises for and during the term of ninety-nine (99) years, commencing on the effective date of this lease, so long as the demised premises are used for the purposes set forth herein, namely, for a freight terminal and for furnishing parking facilities for the public, and provided further that if Lessee ceases to use the property for a freight terminal, or if Lessee fails to complete the construction of the parking facility within ONE YEAR after the effective date of this agreement or within such additional reasonable time as may be allowed by Lessor due to delays in construction not within Lessee's reasonable control, or if Lessee ceases to furnish parking facilities in ac-

cordance with the provisions of this lease or if Lessee breaches any of the covenants hereinafter set forth, the lease shall terminate.

The Lessee hereby covenants and agrees to and with the Lessor, as follows:

1. That the Lessee will not assign or transfer this lease in whole or in part, nor sublet the demised premises or any part thereof, without the written consent of the Mayor and the Director of the Department of Lands and Buildings of the City of Pittsburgh, nor shall the lease be assignable by operation of law.

2. That the demised premises will be occupied as a site for a railroad freight terminal and for a parking facility for general public use and for no other purpose whatsoever. Without limiting the generality of the foregoing language, Lessor specifically permits the use of the premises as a railroad freight terminal in which less-than-carload shipments from commercial and industrial establishments throughout the City will be assembled, consolidated and shipped via rail in carload lots and in which similar consolidated shipments will be received via rail in carload lots and broken down and distributed to consignees.

3. That the structure will be erected in such a way as to support the construction of four parking decks thereon, that one parking deck will be constructed and opened for general public use at the time of the erection of the building, and that a second and third parking deck will be constructed and opened for general public use at such time as Lessor or Lessee determine that there is sufficient demand for additional parking facilities in the vicinity of the demised premises. Lessor may not require the construction of a second or third parking deck unless a survey or study conducted by one of its departments or bureaus or by any other qualified public or private agency has shown that there is a need for the additional parking facilities and that the construction of the additional parking deck or decks is economically feasible. Each parking deck shall be so constructed as to provide parking space for not less than 200 passenger automobiles of

standard make and size.

4. That if any business establishment is constructed on the property owned by Lessee to the south of the demised premises, sufficient separate parking spaces will be provided at or near such business establishment for use of its patrons, so as not to limit the availability of the parking facilities on the demised premises to the general public. If separate parking facilities at or near any such business establishment are not available, Lessee may construct an additional parking deck on the freight terminal building, over and above the number of parking decks required for use of the general public under the preceding paragraph hereof.

5. That the plans for the construction of the structure and for the use of the demised premises and the approaches thereto shall be subject to approval of the Planning Commission, the Art Commission, the Department of Public Works, the Department of Public Safety, and the Department of Lands and Buildings of Lessor. Execution of this agreement by Lessor shall be conclusive evidence of the approval by said Departments of Lessor of the plans contained in Exhibit "B".

6. That Lessee shall pay annually to Lessor the real estate taxes levied by Lessor upon the demised premises. In the event that all or any portion of the demised premises is at any time held to be exempt from real estate taxes, levied by Lessor, Lessee shall nevertheless pay to Lessor a sum of money equal to what would be the amount of real estate taxes levied by Lessor on the whole of the demised premises or any part thereof, which may be held to be exempt, together with the improvements located thereon, calculated at the then current assessed valuation and tax rates. Lessee also agrees to reimburse Lessor for any real estate taxes duly levied upon the demised premises, or any part thereof, by County of Allegheny or the School District of Pittsburgh and paid by Lessor. In the event that such taxes are levied against Lessor by the County of Allegheny or by the School District of Pittsburgh, Lessor shall give timely notice thereof to Lessee in order that Lessee may have an opportunity to challenge the va-

lidity of such levies.

7. That Lessee shall assume all risk, liability and hazards in connection with the construction of the improvements on the leased premises and the occupation and operation thereof. Lessee hereby covenants and agrees to indemnify and save harmless Lessor and its respective officers, agents and employees from and against all liability, loss and expense arising from injury to or death of persons whomsoever, and any and all loss of or damage to property whatsoever, and expenses of suits, occasioned in whole or in part by the acts or omissions of Lessee or any sublessees, their agents, employees or contractors, connected with, resulting from, or occasioned by, excavation of, or the construction of improvements, or the maintenance, use or occupation or operation of the leased premises by Lessee or any sublessee of the premises or a portion thereof, including claims of agents and employees of Lessee or any sublessees. In the construction of the improvements contemplated herein, Lessee agrees to indemnify and save harmless the Lessor and its agents, servants, employees and officers from any claim, demand, or liability for or on account of any private or public nuisance.

Lessor agrees to give Lessee reasonable notice of any claims or demands against Lessor arising out of or based upon any of the liabilities, losses or expenses against which Lessee agrees to indemnify the Lessor or its officers, agents and employees. At its option and at its sole expense, Lessee shall have the right but not the obligation to defend against such claims or demands, and reasonable notice of any claim or demand and the right to defend against the same, shall be a condition precedent to assertion by Lessor of any claim against Lessee.

8. That Lessee shall, at its own expense, maintain and keep the leased premises in good condition and repair.

9. The waiver of any breach of any term, covenant or condition of this agreement shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof. The forbearance or indulgence by Lessor in any regard

whatsoever shall not constitute a waiver of any covenant or condition, and Lessor shall be entitled to invoke any remedy available to it under this lease or by law, despite said forbearance or indulgence.

This agreement shall take effect at the expiration of thirty (30) days from the date when a copy thereof shall be filed in the office of the Secretary of the Pennsylvania Public Utility Commission, Harrisburg, Pennsylvania. Provided that, if the said Commission shall, prior to the expiration of such period, institute a proceeding affecting its validity under the provisions of Section 911 of the Public Utility Law, this agreement shall only become effective upon the approval thereof by the Commission.

IN WITNESS WHEREOF, the parties hereof have caused this agreement to be executed the day and year first above written.

and imposing powers and duties on the City Treasurer and imposing penalties.

The Council of the City of Pittsburgh, under the authority of the Act of June 25, 1947, P.L. 1145, and its amendments hereby enacts as follows:

Section 1. Imposition and Rate of Tax: Exceptions.—A tax at the rate of two mills on each dollar is hereby imposed for the year 1957 on the value of all personal property of the classes taxed by the County of Allegheny pursuant to the Act of June 17, 1913, P.L. 507, as amended, and enumerated in Section 1 of said Act, owned, held or possessed by any resident, which as used in this Section shall mean any person, persons, co-partnership or unincorporated association or company resident, located or liable to taxation within the City of Pittsburgh, or by a joint stock company or association, limited partnership, bank or corporation whatsoever formed, created or incorporated by, under or in pursuance of any law of the Commonwealth of Pennsylvania or of the United States, or of any other State or Government, and liable to taxation within the City, whether such personal property be owned, held or possessed by such resident in his own right or as active trustee, agent, attorney-in-fact, or in any other capacity or by any resident as trustee, agent or attorney-in-fact jointly with one or more trustees, agents or attorneys-in-fact domiciled outside of the City where such personal property is held and managed in this City, except as executor or administrator of the estate of a non-resident decedent and except as trustee for a resident or nonresident, religious, charitable or educational organization, no part of the net earnings of which inures to the benefit of any private stockholder or individual or for the use, benefit or advantage of any other person, co-partnership, unincorporated association, company, joint stock company or association, limited partnership, bank or corporation; and the equitable interest in any such personal

property owned, held or possessed by any resident where the legal title to such personal property is vested in a trustee, agent or attorney-in-fact, domiciled outside of the City, or where the legal title to such personal property is vested in more than one trustee, agent or attorney-in-fact, one or more of whom are domiciled outside of the city, and one or more of whom are domiciled within the City, and such personal property is held and managed outside of the City and where such resident is entitled to receive all or any part of the income therefrom. No failure to assess or return the same shall discharge such owner or the holder thereof from liability therefor. Provided, that if the said County personal property tax, or law imposing the same is repealed, this shall not operate as a repeal of the City personal property tax or this ordinance, but the said City personal property tax shall continue until terminated by ordinance duly passed by Council of the City of Pittsburgh and approved as required by law.

Provided that the provisions of this section shall not apply to subjects excepted in said Act of 1913 as amended, and provided further that the provisions of this section shall not apply to personal property received, or acquired with proceeds of money or property received, before or after the effective date of this Ordinance, from any person or persons, co-partnership, or unincorporated association or company, nonresident in or not located within this City, or before the effective date of this Ordinance from any person or persons, co-partnership, or unincorporated association or company, nonresident in or not located within this City on the effective date of this Ordinance, or from any joint stock company or association, limited partnership, bank or corporation formed, erected or incorporated by, under or in pursuance of any law of the United States or of any state or government other than the Commonwealth of Pennsylvania by any person or persons, co-partnership, unincorporated association, company, joint stock company or association, limited partnership, bank or corporation as active trustee, agent, attorney-in-fact, or in any

Section 2. Returns and Assessments.—For the purpose of ascertaining the amount of tax payable under this ordinance, it shall be the duty of every resident of the City of Pittsburgh liable to pay such tax to file a return of personal property. In order to eliminate the duplication which would result from the filing of a separate return for the City and a separate return for the County, the City of Pittsburgh hereby adopts the return filed with the Allegheny County Board of Property Assessment, Appeals and Review, in compliance with the Act of June 17, 1913, P.L. 507, as amended, as a return for the City of Pittsburgh in compliance with the requirements of this ordinance, for the payment of a personal property tax by all persons subject thereto.

The assessments of personal property of residents of the City of Pittsburgh made by the County officials administering and collecting the County personal property tax, shall be used to determine the amount of tax due to the City of Pittsburgh under this ordinance. The assessments so made shall have the same force and effect as if the assessments had been made initially by the City of Pittsburgh and are hereby adopted for City tax purposes.

The term "assessments" as used

herein shall mean the final assessments as adopted and used by County officials administering the County personal property tax after all petitions for reassessments, and appeals provided by law, have been finally determined.

The Mayor and the City Treasurer are hereby authorized to enter into an agreement with the proper county officials for reimbursement or payment to the County of the expenses incurred in the furnishing to the City by the County Board of Property Assessment, Appeals and Review, of the names and addresses of taxables within the City, the assessments made of their personal property subject to the tax and such other information as may be agreed upon. Such payment shall be made from funds appropriated by City Council.

Taxes paid during the months of May, June and July shall be subject to a discount of 2% and if not paid within said months, shall be payable at face during August, 1957. Taxes unpaid by August 31st shall be considered delinquent and shall be subject to a penalty of 5% of the face amount of the tax, and interest at the rate of $\frac{1}{2}$ of 1% per month until paid.

Section 4. Collection of the Tax.—All taxes, penalties and interest imposed by this ordinance shall be paid to and collected by the City Treasurer. Delinquent taxes shall be recovered by the said Treasurer by suit in assumpsit or by such other methods as are authorized and allowed by law.

Section 5. Fines and Penalties.—

(a) Any person who shall make a false and fraudulent return or any person who fails or refuses to file any return containing the information required by this Ordinance shall upon conviction thereof before any alderman or magistrate, be sentenced to pay a fine of One Hundred Dollars (\$100), and, in default of payment of said fine, to be imprisoned in Allegheny County Jail or Allegheny County Workhouse for a period not exceeding thirty (30) days.

(c) As used in this section the term "person" as applied to associations shall mean the partners or members thereof, and as applied to corporations the officers thereof.

Section 6. Saving Clause.—If the tax or any portion thereof imposed upon any of the personal property of any of the classes hereinbefore described under the provisions of this ordinance, or if any exception of any personal property of any of the classes as hereinbefore described from the imposition of the tax under the provisions of this ordinance shall be held by any court of competent jurisdiction to be in violation of the Constitution of the United States or of the laws of the Constitution of the Commonwealth of Pennsylvania, the decision shall not effect or impair the right to impose the taxes or the validity of the taxes so imposed upon the personal property of the other classes as hereinbefore described or to impose the taxes on the personal property so excepted.

Section 7. The provisions of this Ordinance shall become effective January 1, 1957.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Section 3. Declaration and Payment of Tax.

(a) Net Profits:

(1) Every taxpayer who anticipates any net profits shall, on or before March 15, 1957, make and file with the Treasurer on a form prescribed by the Treasurer, a declaration of his estimated net profits during the period beginning January 1, 1957, and ending December 31, 1957, setting forth the estimated amount of net profits anticipated by him during the said period and subject to the tax, the amount of tax imposed by this ordinance on such estimated net profits, and such other information as the Treasurer may require. Provided, however, that the Treasurer may, at the request of any taxpayer made prior to March 15, 1957, extend the time for filing the declaration to April 15, 1957, if the taxpayer has shown sufficient reason for the grant of an extension.

The taxpayer making the declaration shall, at the time of filing thereof, pay to the Treasurer the estimated amount of tax shown as due thereon. Provided, however, that the taxpayer shall have the right to pay the estimated tax in four quarterly installments as follows: The first installment at the time of filing the declaration, and the other installments on or before June 15, 1957, September 15, 1957, and January 15, 1958, respectively.

(2) Any taxpayer who first anticipates any net profits after March 15, 1957, shall make and file the declaration hereinabove required on or before June 15, 1957, September 15, 1957, or December 31, 1957, whichever of these dates next follows the date on which

the taxpayer first anticipates such net profits. The taxpayer making the declaration shall, at the time of filing thereof, pay to the Treasurer the estimated amount of tax shown as due thereon. Provided, however, that the taxpayer shall have the right to pay the estimated tax in equal installments on or before the quarterly installment payment dates which remain after the filing of the declaration.

(3) The Treasurer is hereby authorized to provide by regulation for the making and filing of adjusted declarations of estimated net profits, and for the payment of the estimated tax in cases where a taxpayer who has filed the declaration hereinabove required anticipates additional net profits not previously declared or finds that he has overestimated his anticipated net profits.

(4) On or before March 15, 1958, every taxpayer who has received net profits shall make and file with the Treasurer, on a form prescribed by him, a final return showing all of his net profits for the period beginning January 1, 1957, and ending December 31, 1957, the total amount of tax due, the amount of estimated tax paid under the provisions of this section, and the balance due. Provided, however, that the Treasurer may at the request of any taxpayer made prior to the due date extend the time for filing the final return to April 15, 1958, if the taxpayer has shown sufficient reason for the grant of our extension. Any taxpayer may, in lieu of paying the fourth quarterly installment of his estimated tax, elect to make and file with the Treasurer on or before January 15, 1958, the final return as hereinabove required. At the time of filing the final return the taxpayer shall pay the balance of the tax due or shall make demand for refund or credit in the case of overpayment.

Every taxpayer making such return shall, at the time of filing thereof, pay to the Treasurer the amount of tax shown as due thereon.

Section 4. Collection at Source.

(a) Every person within the City of Pittsburgh who employs one or more persons on a salary, wage, commission or other compensation basis, other than domestic servants, who has not previously registered, shall within fifteen (15) days after becoming an employer, register with the Treasurer his name and address and such other information as the Treasurer may require.

(b) Every person within the City of Pittsburgh who employs one or more persons on a salary, wage, commission or other compensation basis, other than domestic servants, shall deduct monthly, or more often than monthly, at the time of payment thereof, the tax imposed by this ordinance on the salaries, wages, commissions and other compensation due to his employee or employees, and shall, on or before April 30, 1957, July 31, 1957, October 31, 1957 and January 31, 1958, file a return of taxes deducted on a form prescribed by the Treasurer and pay to the Treasurer the amount of taxes deducted during the preceding three-month periods ending March 31, 1957, June 30, 1957, September 30, 1957, and December 31, 1957, respectively.

(2) A return for each employee employed during all or any part of the period beginning January 1, 1957, and ending December 31, 1957, setting forth the employee's name, address and Social Security number, the amount of salaries, wages, commissions or other compensation paid to the employee during said period, the amount of tax deducted, the amount of tax paid to the Treasurer, and such other information as the Treasurer may require. Every employer shall furnish a copy of the individual return to the employee for whom it is filed.

(d) Every employer who discontinues business prior to December 31, 1957, shall, within fifteen (15) days after the discontinuance of business, file the returns hereinabove required and pay the tax due.

(e) The failure or omission of any employer to make the deductions required by this section shall not relieve any employee from the payment of the tax or from complying with the requirements of this ordinance relating to the filing of declarations and returns.

Section 5. Powers and Duties of Treasurer.

(a) It shall be the duty of the Treasurer to collect and receive the taxes, fines and penalties imposed by this ordinance. It shall also be his duty to keep a record showing the amount received by him from each person paying the tax and the date of such receipt.

(b) The Treasurer is hereby charged with the administration and enforcement of the provisions of this ordinance, and is hereby empowered to prescribe, adopt, promulgate and enforce rules and regulations relating to any matter pertaining to the administration and enforcement of this ordinance, including provisions for the reexamination and correction of declarations and returns, and of payments alleged or found to be incorrect, or as to which an overpayment is claimed or found to have occurred, and to prescribe forms necessary for

the administration of this ordinance.

(c) The Treasurer and agents designated by him are hereby authorized to examine the books, papers and records of an employer or supposed employer, or of any taxpayer or supposed taxpayer, in order to verify the accuracy of any declaration or return, or, if no declaration or return was filed, to ascertain the tax due. Every employer or supposed employer and every taxpayer or supposed taxpayer is hereby directed and required to give to the Treasurer or to any agent designated by him the means, facilities and opportunity for such examinations and investigations as are hereby authorized.

(d) Any information gained by the Treasurer, his agents or by any other official or agent of the City of Pittsburgh, as a result of any declarations, returns, investigations, hearings or verifications required or authorized by this ordinance, shall be confidential, except for official purposes and except in accordance with a proper judicial order, or as otherwise provided by law.

(e) Any person aggrieved by any action of the Treasurer shall have the right of appeal as provided by law.

Section 6. Suit for Collection of Tax.

(a) The Treasurer may sue for the recovery of taxes due and unpaid under this ordinance.

(b) Any suit brought to recover the tax imposed by this ordinance shall be begun within six (6) years after such tax is due, or within six (6) years after a declaration or return has been filed, whichever date is later. Provided, however, that this limitation shall not prevent the institution of a suit for the collection of any tax due or determined to be due in the following cases:

(1) Where no declaration or return was filed by any person although a declaration or return was required to be filed by him under the provisions of this ordinance.

(2) Where an examination of the declaration or return filed by any person, or of other evidence relating to such declaration or return in the possession of the Treasurer, reveals a fraudulent evasion of taxes, including, but not limited to, substantial

understatement of taxes deducted and of actual or estimated net profits or earnings.

(3) Where any person has deducted taxes under the provisions of this ordinance and has failed to pay the amounts so deducted to the Treasurer.

Section 7. Interest and Penalties.

If for any reason the tax is not paid when due, interest at the rate of six per centum (6%) per annum on the amount of said tax, and an additional penalty of one-half of one per centum (.5%) of the amount of the unpaid tax for each month or fraction thereof during which the tax remains unpaid, shall be added and collected. Where suit is brought for the recovery of any such tax, the person liable therefor shall, in addition, be liable for the costs of collection and the interest and penalties herein imposed.

Section 8. Payment under Protest and Refunds.

The Treasurer is hereby authorized to accept payment under protest of the amount of tax claimed by the City in any case where any person disputes the validity or amount of the City's claim for the tax. If it is thereafter judicially determined by a court of competent jurisdiction that there has been an overpayment to the Treasurer, the amount of the overpayment shall be refunded to the person who paid under protest.

Section 9. Applicability.

The tax imposed by this ordinance shall not apply:

(a) To any person as to whom it is beyond the legal power of the City of Pittsburgh to impose the tax herein provided for under the Constitution of the United States and the Constitution and laws of the Commonwealth of Pennsylvania.

(b) To institutions or organizations operated for public, religious, educational or charitable purposes, to institutions or organizations not organized or operated for private profit, or to trusts and foundations established for any of the said purposes.

This section shall not be construed to exempt any person who is an employer from the duty of collecting the

tax at source from his employees and paying the amount collected to the Treasurer under the provisions of Section 4 of this ordinance.

Section 10. Fines and Penalties for Violation of Ordinance.

(a) Any person who fails, neglects or refuses to make any declaration or return required by this ordinance; any employer who fails, neglects or refuses to register or to pay the tax deducted from his employees; any person who refuses to permit the Treasurer or any agent designated by him to examine his books, records and papers, and any person who makes any incomplete, false or fraudulent return or attempts to do anything whatsoever to avoid the full disclosure of the amount of his net profits or earnings to avoid the payment of the whole or any part of the tax imposed by this ordinance, shall, upon conviction thereof before any Alderman or Magistrate, be sentenced to pay a fine of not more than One Hundred Dollars (\$100.00) for each offense, and costs, and, in default of payment of said fine and costs to be imprisoned in the Allegheny County Jail or the Allegheny County Workhouse for a period not exceeding thirty (30) days.

(c) The penalties imposed under this section shall be in addition to any other penalty imposed by any other section of this ordinance.

(d) The failure of any person to receive or procure the forms required for making the declaration or returns required by this ordinance shall not excuse him from making such declaration or return.

Section 11. Severability. The provisions of this Ordinance are severable. If any sentence, clause, or section of this ordinance is for any

reason found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall not affect or impair any of the remaining provisions, sentences, clauses or sections of this ordinance. It is hereby declared to be the intent of the City Council that this ordinance would have been adopted had such unconstitutional, illegal or invalid sentence, clause or section not been included herein.
